To Whom It May Concern:

It is a pleasure to recommend Scott Kutz of MRB Contractors for his outstanding roofing services. He and his team have been providing the roofing needs for all 25 of our commercial properties for the past 12 months now and the projects they have handled range from complete roof replacements to emergency storm repairs. Their maintenance team has also been fantastic in responding to critical situations in a very timely manner. We have been through about a half a dozen roofing companies in the past 8 years and their service is second to none!

Recently, several of our buildings suffered catastrophic storm damage. Scott and his crew inspected and immediately provided temporary repairs prioritized in order of the greatest need. While final repairs were being done, they also kept a check on all temporary repairs to ensure water intrusion remained mitigated during further storms. They worked diligently to get these repairs finished while taking care to find matches for some of our properties discontinued materials. Scott also took great care in aiding the preservation of tenant relations with those who were affected by the damage.

Scott is very knowledgeable and trustworthy. He and his team have been wonderful to work with and I am happy to provide my highest recommendation for MRB Contractors.

Sincerely,

Kevin Mahieu
